

Company Profile

Who We Are?

Zacosia Trading Limited grows businesses by connecting opportunities globally. Our vision is to meticulously serve our customer base, providing innovative trading and logistics.

Our Focus:

- To offer unparalleled levels of customer satisfaction at the most competitive rates
- To offer the utmost commitment to our customers
- To protect our environment in all our operations

Our Geographical Foot Print

Our operations cut across Africa, Middle East up to Asia.

Procurement & Logistics

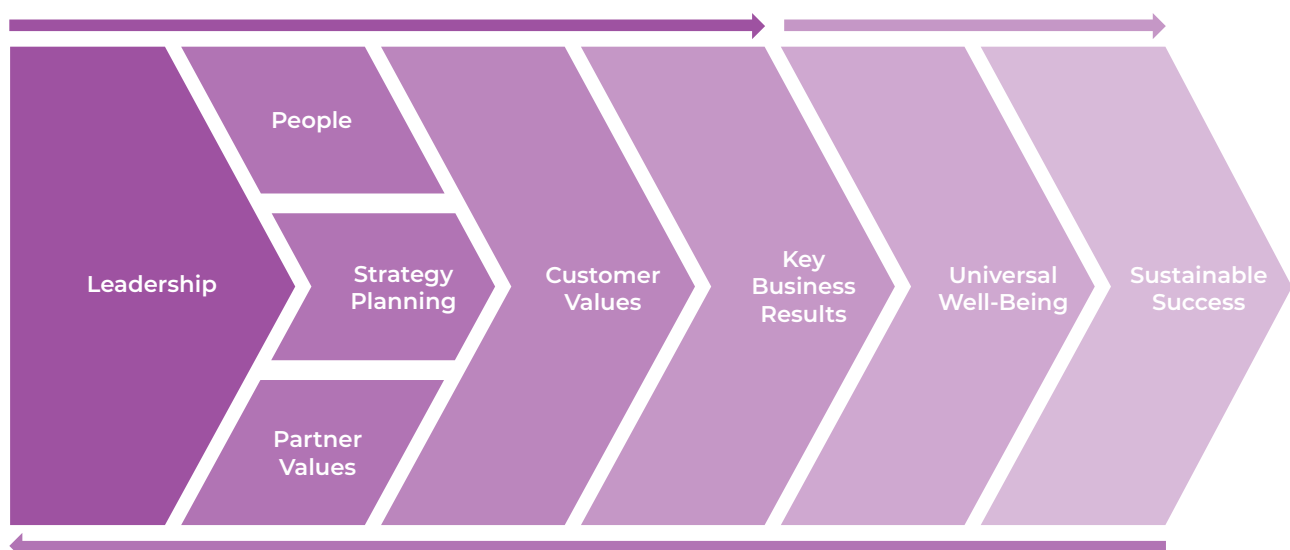

Zacosia Trading's vision is to ultimately enhance our client's commercial performance, through the application of exceptional procurement and logistics expertise in the Petroleum Industry, Metals Trading and in the Agricultural Sectors.

We achieve this by acting with absolute speed and efficiency, personalizing services to meet customer requirements at any and all levels and responding to feedback with affirmative action.

Zacosia Trading has set up strategic facilities and partnerships throughout Africa, Middle East and Asia. This has enhanced clients' profitability by improving the management of their trade.

We achieve business excellence through our outstanding procurement professionals, expertise and robust experience in a broad range of supply markets.

Our Commercial Excellence

Our Product Range

We develop our products and services based on the needs of our valued customers. We approach the challenge of securing their satisfaction and loyalty by focusing on two-way communication, unparalleled performance and fostering a continuous improvement culture in all areas of our operations.

Strictly adhering to highest ethical standards, we believe in community and environmental well-being and strive to maintain quality at all levels, as demonstrated by stringent quality objectives we have set for ourselves in our Quality Policy Statement.
